Dear Mr. Maio:

It has come to my attention that you, along with your agents and/or political allies, including, but not limited to, Joseph Concannon, Phil Orenstein, and Margaret A. Wagner, are creating, printing, distributing and circulating Republican Petitions with the following individuals listed as candidates:

Felicia Kalan
21-22 47th Street #1
Astoria 11105
City Council District 22

Marvin Jeffcoat
50-55 45th Street
Woodside NY 11377
City Council District 26

Michael Conigliaro
69-09 Trotting Course Lane
Rego Park 11374
City Council District 29

You are hereby notified that these candidates are Queens County Republican Committee endorsed candidates and appear on the "Queens County Republican Party Organization Petitions" with myself, Joann Ariola, Anthony P. Nunziato, Meilin Tan, Ramona J. Campbell and Joseph F. Kasper as the Committee to Fill Vacancies. As per the attached documents, you are NOT authorized to use any of their names on any other Republican Petition for any Public Office or any Party Position. Your use of any or all of their names would be unauthorized, misleading and would constitute fraud. Any attempt to circulate petitions with these or other "County endorsed" candidates' names in order to deceive a Republican voter to sign a petition because you have placed their

names on a petition after expressly being directed not to, would constitute fraud. These candidates are NOT in any way associated with the other candidates on your petitions.

You are attempting to gain support for your other rogue candidates by associating their names with these County endorsed candidates.

Your repeated attempts to mislead Republican voters with an illegal and unauthorized Republican Club and other entities will not go unchallenged. You are engaging in organized fraud and misrepresenting to voters your position in the Republican Party.

You continue to fraudulently mislead Republican voters into providing you information including, but not limited to, emails, phone numbers, and signatures which you then attempt to use against the Republican Party or misuse them your own purposes. I demand that you cease and desist all such activities immediately and will pursue swift and appropriate legal action if you do not.

Sincerely,

Joann Ariola, Chairwoman
Queens County Republican Committee
